Home and Community-Based Visitation Supervisor: Visitation Program

POSITION SUMMARY: Part-Time Positions - The CBR YouthConnect Visitation program is looking for a highly motivated, autonomous social worker/counselor to provide home and/or community-based visitation services for Denver Metro Area families court-ordered for supervised parenting-time as a *Family Service Provider*. The position provides direct interventions for youth and families involved in the social service system; staff will gain insight and experience working with probation, court, and DHS systems.

The purpose of CBR YouthConnect's Visitation Services is to provide a safe environment for children to spend time with their non-residential parent(s), keeping safety of the child as the highest priority, through supervised visits or therapeutic supervised visits. ***Our goal is to observe, mend and heal the parent-child relationship.***

The *Family Service Provider* will have direct contact with the referred non-residential parents and their child(ren) at a frequency specified in the case plan. These contacts can occur at various times of the day and night.

A bi-lingual (Spanish speaking) applicant is a plus but not a requirement.

BENEFITS: Experience working in and navigating various systems, direct individual and family clinical experience, mileage reimbursement, flexible work hours

EDUCATIONAL REQUIREMENTS: Master of Social Work or MA/MS in Counseling/ Psychology or B.S. in Psychology, Social Work or related field with past work experience in this field

JOB FUNCTIONS: Supervised Visitation and Therapeutic Supervised Visitation services are designed to observe and monitor the interactions between a child and his/her non-residential parent during that parent's court-designated parenting time. Both services involve a trained CBRYC staff member who objectively observes parent-child interactions in a department approved, controlled or community based-setting. The visitation supervisor ensures that the guidelines set by the Court or referral agency are followed, and submits progress reports and recommendations to the referral source as required.
